

#1 RESOURCE FOR BUSINESS OWNERS LOOKING TO CREATE  
A WOW EXPERIENCE FOR THEIR CLIENTS...

A man in a dark suit and red tie is climbing a wooden ladder. He is reaching up with his right hand to touch a large, glowing yellow star. Above him, a row of seven smaller, grey stars is visible against a dark blue background. The background also features a faint city skyline and clouds at the bottom.

## What Is A Fulfillment Center?

Fulfillment centers are a place where sellers can go to outsource warehousing and shipping.

This helps provide your business with the necessary physical space to store your products and the fulfillment center provider ships it to your customers for you.

Here at DISK, we make this process simple, fast, and easy for you - while creating a unique, on-demand WOW Experience for your clients!

## What Do Fulfillment Companies Do And How Can They Enhance Your Business?

Simple Answer:

- Manage inventory
- Provide storage and organization
- Process your customer orders
- Pick, pack, ship, package, labeling, paperwork
- Processing customer returns
- Shopping cart integration
- Improve on costs and overhead
- Allow you to grow and scale
- And much, much more

All so you can focus on the bigger picture!
